STL-PDF-10-60D ~ Single Trip PDF Logger, -30/70°C, 60 days

Application

Mainly used in the cold chain for temperature recording during storage and transportation of foodstuff, medicines, chemicals, flowers and other temperature sensitive products

Features

- PDF report without any software required
- Waterproof to IP67
- Large Data Storage 10,000 readings (every 8.6 minutes)
- No Software required
- USB Connection to download PDF reports

Specifications

Use Type	Single Use
Accuracy	±0.5℃(-20℃～+40℃);±1℃,for other range
Data Storage Capacity	10000
Alarm temperature	＜2℃or ＞8℃(＜35.6℉or ＞46.4℉)
Start Delay	30min
Operating temperature	-30℃～+70℃
Storage	Recommended 20 to 60%RH, 10 to 50℃
Water Proof Level	IP67
Dimensions	69mm*33mm*5mm
Standard Compliance	CE,EN12830,GSP
Communication Interface	USB2.0
Report Type	PDF
Software	No need to any software to driver
